Subject: Invitation to the MaTechYan!: Tech Made Easy, Para sa Guro! Webinar Series

Dear RD Firmo:

Warm greetings from the Learning Institute for Future Technologies (LIFT)!

The **Learning Institute for Future Technologies (LIFT)** is an academic and technical joint venture established by **PCI Innovations Tech Center Inc.** and **Saint Mutien College**.

As the institution's **training and Research and Development arm**, LIFT advances educational technology through innovative digital programs and industry collaboration. It offers **flexible digital skills training** for students, educators, professionals, and lifelong learners—connecting learning with real-world applications through partnerships with tech experts and employers.

As part of our continuing advocacy to empower educators in the digital age, we are pleased to invite you to participate in the **MaTechYan!: Tech Made Easy, Para sa Guro! Webinar Series**. The webinars will be held from **November 20 to December 4, 2025**, via **Zoom**.

This online webinar series is a professional development program developed and implemented by LIFT. This online webinar series is specifically designed for teachers to equip them with essential skills and competencies for innovating education in the digital age. The program consists of four sessions, each lasting two hours.

The series aims to empower educators by focusing on four integrated pillars:

1. **AI and Digital Citizenship:** Establishing foundational competencies in AI literacy, ethics, and responsible technology use.
2. **Streamlined Workflows:** Leveraging AI and EdTech tools to **automate and simplify routine teaching tasks** such as grading, attendance tracking, and lesson preparation.
3. **Enhanced Classroom Engagement:** Integrating practical and affordable EdTech tools to create **livelier, interactive, and student-centered experiences**.
4. **Professional Digital Branding:** Developing a professional online presence to **share success stories, celebrate learners, and advocate for the value of education**.

The schedule and registration details for the webinar series are as follows:

<https://mail.google.com/mail/u/0/?ik=5d8da3fbce&view=pt&search=all&permmsgid=msg-f:1848752511968511063&simpl=msg-f:18487525119685...> 1/2

Sincerely,

ENGR. SERGIO O. RAMOS III

Officer in charge

Date	Time	Session	Registration Link
November 20, 2025	7:00 PM - 9:00 PM	Session 1: AI and Digital Citizenship for Teachers – Empowering Ethical and Innovative Classrooms	https://tinyurl.com/LIFTWebinar1
November 27, 2025	7:00 PM - 9:00 PM	Session 2: Streamlining Teaching Workflows through AI and EdTech	https://tinyurl.com/LIFTWebinar2
December 2, 2025	7:00 PM - 9:00 PM	Session 3: Enhancing Classroom Engagement through Practical and Affordable EdTech Tools	https://tinyurl.com/LIFTWebinar3
December 4, 2025	7:00 PM - 9:00 PM	Session 4: Developing a Professional Digital Brand for Educators	https://tinyurl.com/LIFTWebinar4

This progression supports the development of higher-level teaching competencies, aligning innovation with Filipino classroom realities.

We have attached the full details of the first webinar series, including the program overview, objectives, and schedule of sessions. For questions, please contact us at lift@pcitech.com.ph.

We look forward to your participation as we work together toward a future-ready education system.

Sincerely,

ENGR. SERGIO O. RAMOS III

MaTechYan!: Tech Made Easy, Para sa Guro! Webinar Series

Program Overview

LIFT invites educators to a four-part program on practical and creative ways to use technology in teaching. The sessions are **FREE**, giving teachers the opportunity to explore digital tools and AI for more engaging, future-ready classrooms. The webinars will run from **November 12 to December 4, 2025, via Zoom**.

For regular updates, further information, or concerns, you can learn about our program or reach our team through our official communication channels below.

- I. **Rationale:** This initiative supports the LIFT Program's advocacy of equipping educators with digital citizenship and innovation skills in alignment with DepEd's priorities on ICT integration and digital literacy.
- II. **Objectives:** This program aims to:
 - 1. Strengthen educators' ability to use generative AI and digital tools in lesson planning and delivery.
 - 2. Design engaging, technology-integrated classroom activities that enhance student learning.
 - 3. Foster collaboration and sharing of innovative teaching practices among educators.
 - 4. Exhibit digital competencies that demonstrate effective use of technology in teaching and learning.
- III. **Target Participants:** Public and private school teacher
- IV. **Platform and Schedule:** Sessions will be held via **Zoom** from **November 20 to December 4, 2025**.
- V. **Certification and Requirements:** Participants who complete the post-evaluation will receive an e-certificate of participation.
