DIVISION MEMORANDUM
No. 587 s. 2026

CONDUCT OF THE 2026 DIVISION SCIENCE, TECHNOLOGY AND MATHEMATICS FAIR (DSTMF) SCIENCE & MATHEMATICS QUIZ BEE AND MATH WIZARD COMPETITIONS

TO: Division Chiefs
Education Programs Supervisors
District and Principal In-Charge
Junior and Senior High School Heads
Public and Private Elementary and Secondary Teachers
All Others Concerned

1. In relation to the conduct of the 2026 Regional Science, Technology, and Mathematics Fair (RSTMF), this division through the Curriculum Implementation Division (CID), shall conduct the Division Science, Technology, and Mathematics Fair (DSTMF) Science & Mathematics Quiz Bee and Math Wizard Competitions on the following dates:

Activity	Date	Venue	Awarding Ceremony
Science and Math Quiz Bee (Key Stage 2, 3 & 4)	September 4, 2026	Baybay National High School	September 4, 2026
Math Wizard (Key Stage 1, 2 & 3)	September 4, 2026	Baybay National High School	September 4, 2026

2. The activity aims to:

a. promote Science, Technology, and Mathematics consciousness and culture of innovation among the youth;
b. give learners the opportunity to showcase their knowledge acquired in Science and Mathematics content;
c. develop learners' essential research skills for academic success and future academic and career pursuits; and
d. identify pool of learners from Key Stage 1, 2, 3 and 4 who shall represent the division in future regional and national quiz competitions.

3. The following are the specifications of the competition:

Contested Activity	**Grade Level**	**Minimum Number of Contestants Per School**
A. Quiz Bee		
Science	Grade 4-12	2 (Per Grade Level)
Mathematics	Grade 4-12	2 (Per Grade Level)
B. Math Wizard		
Addition	Grade 1-6	2 (Per Grade Level)
Subtraction	Grade 1-6	2 (Per Grade Level)
Multiplication	Grade 2-10	2 (Per Grade Level)
Division	Grade 2-10	2 (Per Grade Level)

4. Guidelines for the contested activities are herein attached.

5. All schools shall send at least two representative per grade level for Science and Mathematics quiz bee and at least two representative for the Math Wizard per mathematical operation per grade level.

6. A registration fee of P150.00 pesos shall be collected from each participant to defray the expenses of the medals, trophies, certificates, meals, and tokens for the board of judges, decorations, and other miscellaneous expenses incurred in the conduct of the DSTMF activities.

7. All forms can be accessed through this link: https://tinyurl.com/34zvsw58 School heads shall also encode the names of the learner contestants and coaches using these links:

GUIDELINES ON THE CONDUCT OF THE QUIZ BEE COMPETITION OF THE 2026 DIVISION SCIENCE, TECHNOLOGY AND MATHEMATICS FAIR

These guidelines shall be observed in the conduct of the 2026 DSTMF QUIZ BEE AND MATH WIZARD Competition.

QUIZ BEE

1. The 2026 DSTMF QUIZ BEE will only be under individual category. No TEAM Competition for Mathematics and Science Quiz Bee.

2. Schools shall send a minimum of one (1) learner contestant to represent the school in the division competition. Schools may send more than 1 contestant per category per grade level.

3. It is advised that schools shall conduct intensive training to the selected learner contestants. Quiz Bee contestants shall only appear on the specified date of competition as stipulated in this memorandum.

4. To give chance to more learners to join the 2026 DSTMF, a learner is only eligible to represent the school in either Science or Math quiz bee competition. Thus, a learner who represents the school in Science Quiz Bee can no longer join in the Mathematics Quiz Bee. However, learners who will participate in the Research Congress on the 9th, September, 2026, (TUKLAS, SCIENCE INNOVATION EXPO, NUMBERACE, and AGHAMAZING competitions) may also participate in the Quiz Bee on September 4, in either Mathematics or Science Quiz Bee competition, and shall register in each competition and pay the required registration fee.

Note: The Science and Mathematics QUIZ BEE of the 2026 DIVISION SCIENCE, TECHNOLOGY AND MATHEMATICS FAIR is open to ALL schools, both private and public. School districts shall not conduct their own elimination to choose contestants for the whole district. This is to give each school equal chances of joining in the division competition.

5. There shall be a **MINIMUM** of (12) pupils for Elementary (Grades 4-6), (16) students for JHS (Grades 7-10), and (20) students for Senior High School (Grade 11-12) in every participating school, broken down as follows.

GRADE LEVELS	**MINIMUM NUMBER OF CONTESTANTS**	
	SCIENCE	MATHEMATICS
4	2	2
5	2	2
6	2	2
7	2	2
8	2	2

9	2	2
10	2	2
11	5	5
12	5	5
TOTAL	24	24

6. Schools may send more than one (1) learner contestent per category per grade level. Coaches shall take and save a **photo/screenshot** of the following documents: (1) Registration Form signed by the registration committee (serves as EXAM PERMIT); (2) Certification signed by the school head that the learner is a bonafide pupil/student of the school and is enrolled in the grade level being represented; and (3) Consent, Waiver, Indemnity and Release form.

   Coaches shall accompany their contestants to the examination room and shall show the required documents to the room examiner. Once the learners have settled down, coaches shall leave the venue immediately and shall remain in the waiting area in the duration of the competition.

7. All contestants to the Quiz Bee in Science and Mathematics shall be accompanied by their school head, coach and parents to ensure safety and security of the participants from start to end of the activity. Coaches shall collect the signed/approved Parent's Permit of learner's participation to the competition which shall be kept by the School Head.

8. All test items shall be based from the first term competencies of the Revised K to 10 Curriculum in both Sciene and Mathematics quiz bee competition.

9. The following are the competencies covered in the Science and Matheatics Quiz Bee competition:

GRADE LEVEL	COMPETENCIES COVERED	
	SCIENCE	MATHEMATICS
GRADE 4 - 10	Revised K To 10 Curriculum	Revised K To 10 Curriculum
GRADE 11	General questions under Earth Science, Life Science/General Biology, Physical Science/General Physics, and General Chemistry, similar to college entrance examinations under science proficiency	Basic algebra similar to college entrance examinations under mathematical proficiency
GRADE 12		

10. The **DepEd Division Science and Math Supervisors** shall be the in charge of the preparation and reproduction of the examination. ***They will also be responsible for settling all questions, including protests, that may arise in the course of the competition. After a thorough investigation from a given situation, the decision of the Science and Mathematics supervisors shall be deemed final and executory.***

11. Examinees shall be at the testing room 15 minutes before the time and shall only bring 2 ballpens. No cellular phones, camera, food and water are allowed inside the testing room. No contestant is allowed to go out the testing room once the test has started. Specific venue of the activity shall be announced in a separate memorandum.

12. The test materials will be opened publicly by the Examiners just before the start of the competition to be witnessed by examinees inside the testing room and coaches and parents outside the testing room. Afterwhich, all coaches and parents shall proceed and stay at the designated holding/waiting area. No coaches and/or parents shall stay in the vicinity of the testing room in the whole duration of the competition.

13. Contestants in all grade levels shall answer a twenty-item (20) test for 30 minutes and shall utilize the back portion of the test papers as scratch sheets. In no case shall a copy of the test papers be brought outside the testing room. Likewise, photocopying, taking of pictures and posting of test items in any social media platform is strictly prohibited.

14. All contestants shall put their phones in silent mode and shall surrender these cellular phones to the room examiner before the start of the test. They shall only take their phones back once they leave the testing room.

15. All test takers shall submit the test papers to the room examiner within the specified time. Papers submitted late shall be checked and marked as LATE by the room examiner. Late test paper submission may mean forfeiture of award. All contestants shall leave the testing room at the same time. No time extension shall be given to contestants who arrive at the testing room late.

16. Room Examiners shall carefully check the test papers using the answers key. The following shall be the cut-off score and corresponding award that will be given during the contest:

SCORE	AWARD
19 - 20	GOLD MEDAL AWARD
17-18	SILVER MEDAL AWARD
15-16	BRONZE MEDAL AWARD
13-14	DISTINCTION AWARD
11-12	MERIT AWARD

17. Room examiners shall record all the scores of the learners at the provided **Room Summary of Results** sheet and shall certify to the correctness of the entries by signing the said summary of results. The signed document shall then be forwarded/submitted by the Room Examiner, together with the envelope containing all checked papers and its copies, to the secretariat for keeping/recording and preparation of materials for the awarding ceremonies. All checked test papers, copies and extra sheets shall then be shreded after the posting of results in the official DepEd Facebook page by the technical working group.

18. **Medals and certificates** shall be awarded to the Gold, Silver and Bronze awardees in the competition while the Merit and Distinction awardees shall receive **certificates of recognition**. The same certificates will be awarded to the coaches of the winning contestants. Certificates of appreciation will be

given to all coaches and staff members of the competition. Learners who will get a **perfect score** in the competition shall also be given certificate of recognition as **excellence awardee.** All contestants will be given certificates of participation.

19. The awarding ceremony shall be conducted right after the competition

GUIDELINES ON THE CONDUCT OF THE MATH WIZARD COMPETITION OF THE 2026 DIVISION SCIENCE, TECHNOLOGY AND MATHEMATICS FAIR

1. The 2026 MATH WIZARD is a test of the sills in four fundamental operations in Mathematics (Addition, Subtraction, Multiplication, Division) of learners from Grades 1-10 under individual category. No TEAM Competition for Math Wizard.

2. Schools shall send a minimum of two (2) learner contestant to represent the school in the division competition. Schools may send more than 1 contestant per category per grade level.

3. It is advised that schools shall conduct intensive training to the selected learner contestants. Math Wizard contestants shall only appear on the specified date of competition as stipulated in this memorandum.

4. To give chance to more learners to join the 2026 DSTMF, a unique set of learners shall be registered for Math Wizard. However, schools may also allow the Quiz Bee contestants in Math and Science to join the Math Wizard competition as additional contestants.

5. Schools may send more than two (2) learner contestants per category per grade level.

Category per Grade Level	**Minimum** Number of Contestants
Grade 1 Addition	2
Grade 1 Subtraction	2
Grade 2-10 Addition	2 per grade level
Grade 2-10 Subtraction	2 per grade level
Grade 2-10 Multiplication	2 per grade level
Grade 2-10 Division	2 per grade level

6. Coaches shall take a photo of the following documents (1) Registration Form signed by the registration committee (serves as EXAM PERMIT); (2) Certification signed by the school head that the learner is a bonafide pupil/student of the school and is enrolled in the grade level being represented; and (3) Consent, Waiver, Indemnity and Release form.

7. Coaches shall accompany their contestants to the examination room and shall show the required documents to the room examiner. Once the learners have settled down, coaches shall leave the venue immediately and shall remain in the waiting area in the duration of the competition.

8. All contestants to the Quiz Bee in Science and Mathematics shall be accompanied by their school head, coach and parents to ensure safety and security of the participants from start to end of the activity. Coaches shall collect the signed/approved Parent's Permit of learner's participation to the competition which shall be kept by the School Head.

8. The Following are the specific details of content to be tested for each grade level, number of items, and corresponding time limit:

Category	Content Details	Number of Items	Time Limit
Grade 1 Addition	Addition of one digit numbers without regrouping	50	30 minutes
Grade 1 Subtraction	Subtraction of numbers (from 1-99) by one digit numbers without regrouping	50	30 minutes
Grade 2 Addition	Addition of one or two digit numbers without regrouping	50	20 minutes
Grade 2 Subtraction	Subtraction of two digit numbers from 1-50 by one digit numbers with or without regrouping	50	20 minutes
Grade 2 Multiplication	Multiplication of one digit numbers	50	20 minutes
Grade 2 Division	Division of 2 digit numbers by one digit numbers without remainder	50	20 minutes
Grade 3 Addition	Addition of one or two digit numbers without regrouping	50	17 minutes
Grade 3 Subtraction	Subtraction of two digit numbers from 51-99 by one digit numbers without regrouping	50	17 minutes
Grade 3 Multiplication	Multiplication of one digit numbers	50	17 minutes
Grade 3 Division	Division of 2 digit numbers by one digit numbers without remainder	50	17 minutes
Grade 4 Addition	Addition of one or two digit numbers with or without regrouping	50	14 minutes
Grade 4 Subtraction	Subtraction of two digit numbers from 51-99 by one digit numbers with or without regrouping	50	14 minutes

Grade 4 Multiplication	Multiplication of one digit numbers	50	14 minutes
Grade 4 Division	Division of 2 digit numbers by one digit numbers without remainder	50	14 minutes
Grade 5 Addition	Addition of one or two digit numbers with or without regrouping	50	12 minutes
Grade 5 Subtraction	Subtraction of two digit numbers from 51-99 by one digit numbers with or without regrouping	50	12 minutes
Grade 5 Multiplication	Multiplication of one digit numbers	50	12 minutes
Grade 5 Division	Division of 2 digit numbers by one digit numbers without remainder	50	12 minutes
Grade 6 Addition	Addition of one or two digit numbers with or without regrouping	50	10 minutes
Grade 6 Subtraction	Subtraction of two digit numbers from 51-99 by one digit numbers with or without regrouping	50	10 minutes
Grade 6 Multiplication	Multiplication of one digit numbers	50	10 minutes
Grade 6 Division	Division of 2 digit numbers by one digit numbers without remainder	50	10 minutes
Grade 7 Addition	Addition of integers (one digit integers)	50	16 minutes
Grade 7 Subtraction	Subtraction of integers (2 digit minuend, one digit subtrahend) without regrouping	50	16 minutes
Grade 7 Multiplication	Multiplication of integers (one by one digit integers)	50	16 minutes

Grade 7 Division	Division of integers (two by one digit integers) without remainder	50	16 minutes
Grade 8 Addition	Addition of integers (one digit integers)	50	14 minutes
Grade 8 Subtraction	Subtraction of integers (2 digit minuend, one digit subtrahend) without regrouping	50	14 minutes
Grade 8 Multiplication	Multiplication of integers (one by one digit integers)	50	14 minutes
Grade 8 Division	Division of integers (two by one digit integers) without remainder	50	14 minutes
Grade 9 Addition	Addition of integers (one digit integers)	50	12 minutes
Grade 9 Subtraction	Subtraction of integers (2 digit minuend, one digit subtrahend) without regrouping	50	12 minutes
Grade 9 Multiplication	Multiplication of integers (one by one digit integers)	50	12 minutes
Grade 9 Division	Division of integers (two by one digit integers) without remainder	50	12 minutes
Grade 10 Addition	Addition of integers (one digit integers)	50	10 minutes
Grade 10 Subtraction	Subtraction of integers (2 digit minuend, one digit subtrahend) without regrouping	50	10 minutes
Grade 10 Multiplication	Multiplication of integers (one by one digit integers)	50	10 minutes
Grade 10 Division	Division of integers (two by one digit integers) without remainder	50	10 minutes

9. Examinees shall be at the testing room 15 minutes before the time and shall only bring 2 ballpens. No cellular phones, camera, food and water are allowed inside the testing room. No contestant is allowed to go out the testing room once the test has
