Subject: Request for Approval to Conduct a National Training on Republic Act No. 12009 (New Government Procurement Act) for Non-Teaching Personnel of Public Elementary and Secondary Schools

Dear Secretary Angara:

Greetings of peace and service!

We respectfully request the conduct of a National Training on Republic Act No. 12009, or the New Government Procurement Act, specifically for non-teaching personnel of public elementary and secondary schools who are involved in procurement activities.

The implementation of the new law has presented challenges among schools, particularly because many school personnel have not yet been provided sufficient training and practical orientation on its provisions, processes, and requirements. A nationwide capacity-building program will help ensure proper, consistent, transparent, and compliant implementation of the law at the school level.

We hope for your favorable consideration of this request and your support in strengthening the procurement capacity of our school personnel.

Respectfully yours,

DR. WARLITO D. ROSAREAL
President
